

Animal Safety Belts

Anisafe is a company focused on enhancing the safety of street cows, especially during the rainy season. Their reflective collars increase visibility in low light and rainy conditions, helping drivers spot cows more easily and reducing the risk of accidents in busy urban areas.

About Us

Founded in 2016, AniSafe is a pet products company with a mission to improve the safety and well-being of animals everywhere. Specializing in reflective cow collars, we focus on providing street cows and their caretakers with essential products that enhance visibility and protection, particularly in urban and low-light environments.

At AniSafe, we believe every animal deserves to be safe, regardless of their environment. Over the years, we have expanded our range to offer various pet accessories, all created with the same commitment to quality and animal welfare. Whether you're a city caretaker or a rural farmer, we're here to provide the products that help you protect and care for your animals with confidence.
